Product Description

Morbark Eger Beaver 1922 Brush Chipper

Feature-packed and ready to work, the Eger Beaver 1922 Brush Chipper features a large diameter chipping drum, Variable Force™ hydraulic down pressure system, radiused infeed walls, straight flow-through design, and increased chipping capacity in a compact and easy to maneuver package - making this the ideal unit for residential tree services, utility line clearing, vegetation management, maintenance contractors, municipalities and more.
