### Product Description

## Morbark Eger Beaver 1621X Brush Chipper

The Eger Beaver 1621X Brush Chipper is the scaled version of the Eger Beaver 1821 Chipper featuring reduced horsepower engine selections and spring-applied down pressure. This powerful, high-performing chipper provides a balance between performance, production, capability, and efficiency - making it the ideal unit for residential tree services, utility line clearing, vegetation management, maintenance contractors, municipalities, and more.
