Product Description

CMC i23 i Series Insulated Lift

The CMC i23 is a double pantograph geometric platform, with the largest unrestricted outreach in its class. Electrically insulated up to 46kV, it allows safe working on or near high-voltage lines. With its 23-metre working height, three stabilization areas and automatic leveling of the stabilizers, it can operate at its best in any conditions.

	Max. working height	22.80 m
	Max. outreach	10 m
	Total weight	3930 kg
